Re: Letter of Thanks and Appreciation

Dear Pini and Rami,

I would like to express my deep appreciation for your wonderful work.

You are truly reliable, devoted, decent and qualified professionals.

In both the transactions in which we were involved together, you performed your job devotedly.

Your conduct towards me was incomparably personal, warm and dedicated.

Over time I made two new friends.

Please be assured that I shall recommend you warmly to all my friends and acquaintances.

In the world of real estate - which unfortunately suffers from a poor reputation- you hold an extraordinary place of honor.

Yishar Koach (Well done!), and good luck in all your endeavors.

With much appreciation,

Herzl Aviv
