Lior and Pini,

R.P. Properties - Real Estate Investment House – Ra'anana Branch

Thanks to your assurance, devotion, professionalism, pleasant manner and patience, (especially those of Lior, who was particularly involved in the work) - it was clear that even without exclusivity, the apartment would eventually be sold through your agency.

We would therefore like to thank you for your assistance and your efforts from beginning to end.

Next time, we will know who to turn to...

Sincerely,

Vered and Uri Rahat

Ra'anana
